

Warm Room to open at the Community Centre – 28 February

Two of the women who run the Young at Heart Group at the Community Centre have agreed to start a Warm Room at the Mill Room of the Community Centre.

The Warm room will be available on Tuesdays, from 28 February onwards, from 10am to 1pm, the same as the Town Hall hours. This is to offer the facility to those who want to have a chat and some company in the warm but are living to the north of the town.

There is ample car parking at the Community Centre and a ramp in for those who need it.

The Mill Room will have a supply of free teas, coffees, biscuits, books and magazines, so feel free to pop along if you can make any of the time on Tuesdays, from 10am and 1pm and meet Dawn and Pat, the two volunteers.
